Thursday, Feb. 23, 2017.

Dear Crystal View Families,

We are nearing the end of second term and enjoying some sunny days. After an exciting Literacy Week, we headed straight toward Valentine's Day with a focus on celebrating friendship and kindness.

Teachers are involved in many innovative opportunities with the Curriculum Redesign. It is a Tri-District Pro-D Day on Friday, Feb. 24th. There is no school tomorrow.

We are enjoying having Ms. Niessen teaching at CV for her final practicum in Ms. Bright's class until April 14th. Can this be the same Ms. Niessen who was a former student in Mrs. Sjerven's class many years ago? Wow!

We are all immersed in exciting learning. Thanks for your ongoing support!

Sincerely,
Mrs. Karen Sjerven
Principal

Heartfelt Thanks

Term 2 Conferences/Open Houses

Teachers at CV will be holding conferences or Open Houses after school and into the evening on Wednesday, March 1st. This is a regular school day for students. School ends at 2:38.

There will be an opportunity for parents to visit classes in either an Open House format or through parent conferences. Teachers will be sending home individual descriptions of their format. An online schedule is now available to view and access at <http://cvs.schoolappointments.com>

The schedule will remain open until 3:00 pm on Tuesday, Feb. 28th. We understand that not all parents will be attending the second term conferences as many parents have made alternate arrangements. Thank you.

Rainy Days at School

Thank you for packing some dry clothing to leave at school "just in case". It is hard to stay dry when the puddles are so inviting and the field is so muddy!
